We Dedicate

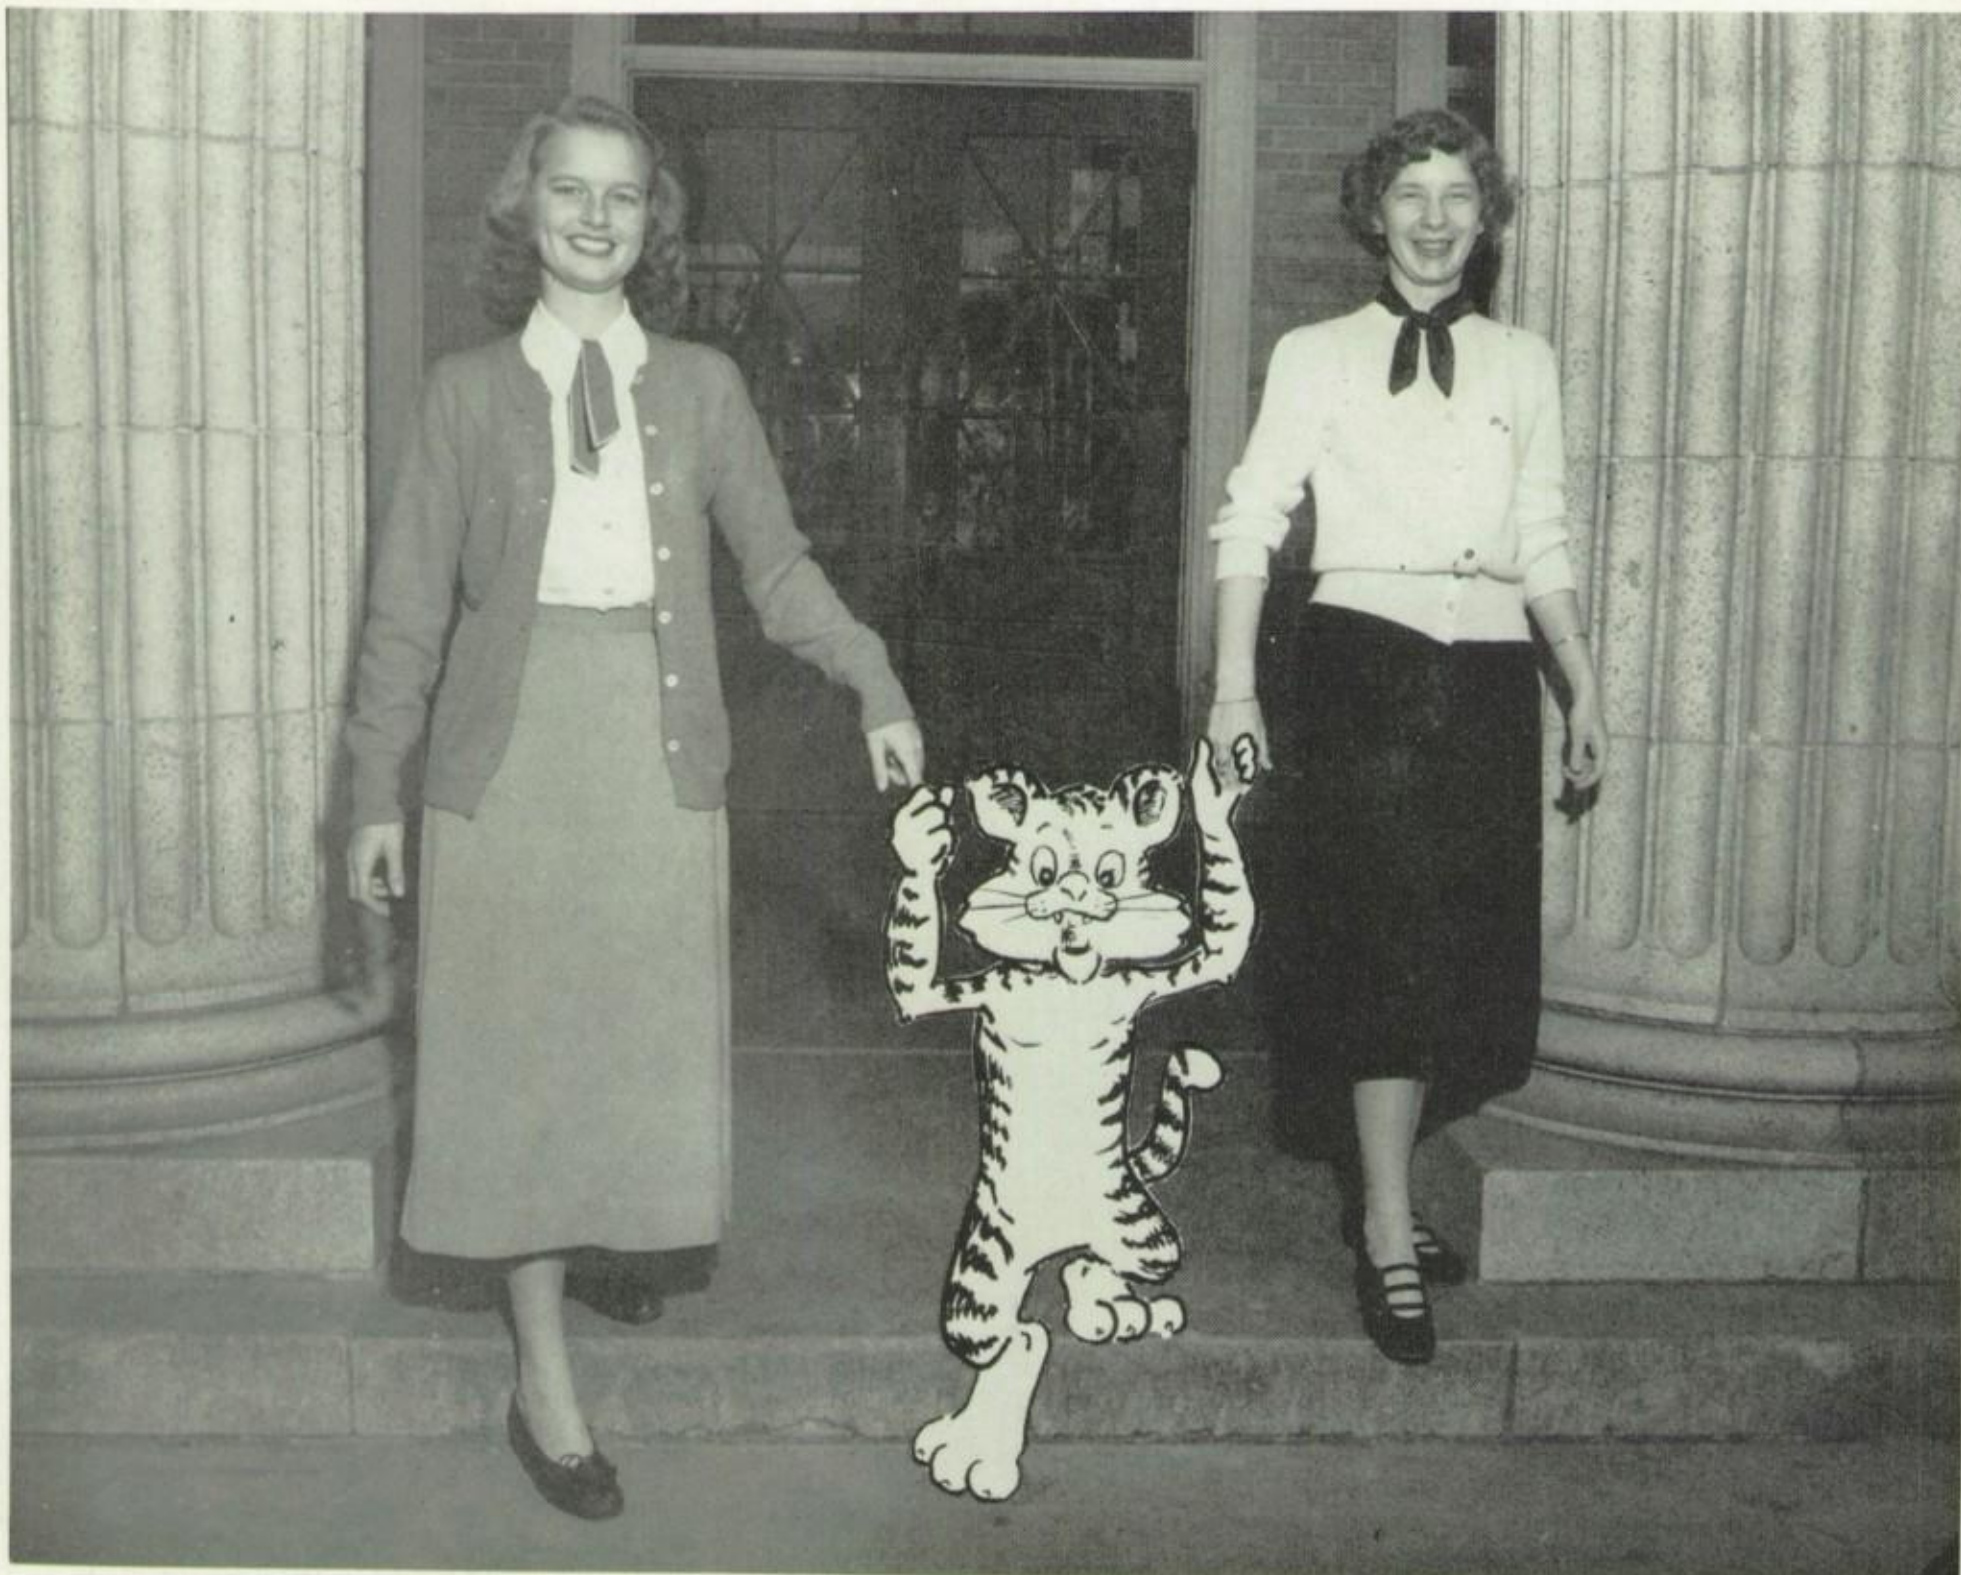

THE NINETEEN FIFTY TIGANDO

TO

Miss Ruth E. Mier

who, for more than 20 years, has devoted her energies and efforts to the advancement of our school. We give credit where credit is due.

Arra Mae, our Tiger, and Sue

Letter From the Editors

We, the editors, would like for you, the students of OHS, to meet the little fellow who has contributed a great deal toward making the 1950 TIGANDO a success. He has been not only a hard worker, but also a little "busybody," and it looks as though he has managed to stick his nose into just about everything. As you look through your book, you will see that he is right there graduating with the Sophisticated Seniors; taking time out for a coke with the Juniors; and helping the Sophomores with a class meeting. He has been active in all phases of sports, a member of all the extracurricular activities, and even a part of the Senior Superlatives. Quite a fellow, isn't he? Well, he's our school Tiger, our emblem, and the spirit of cooperation that has kept our staff going through thick and thin. It is to this

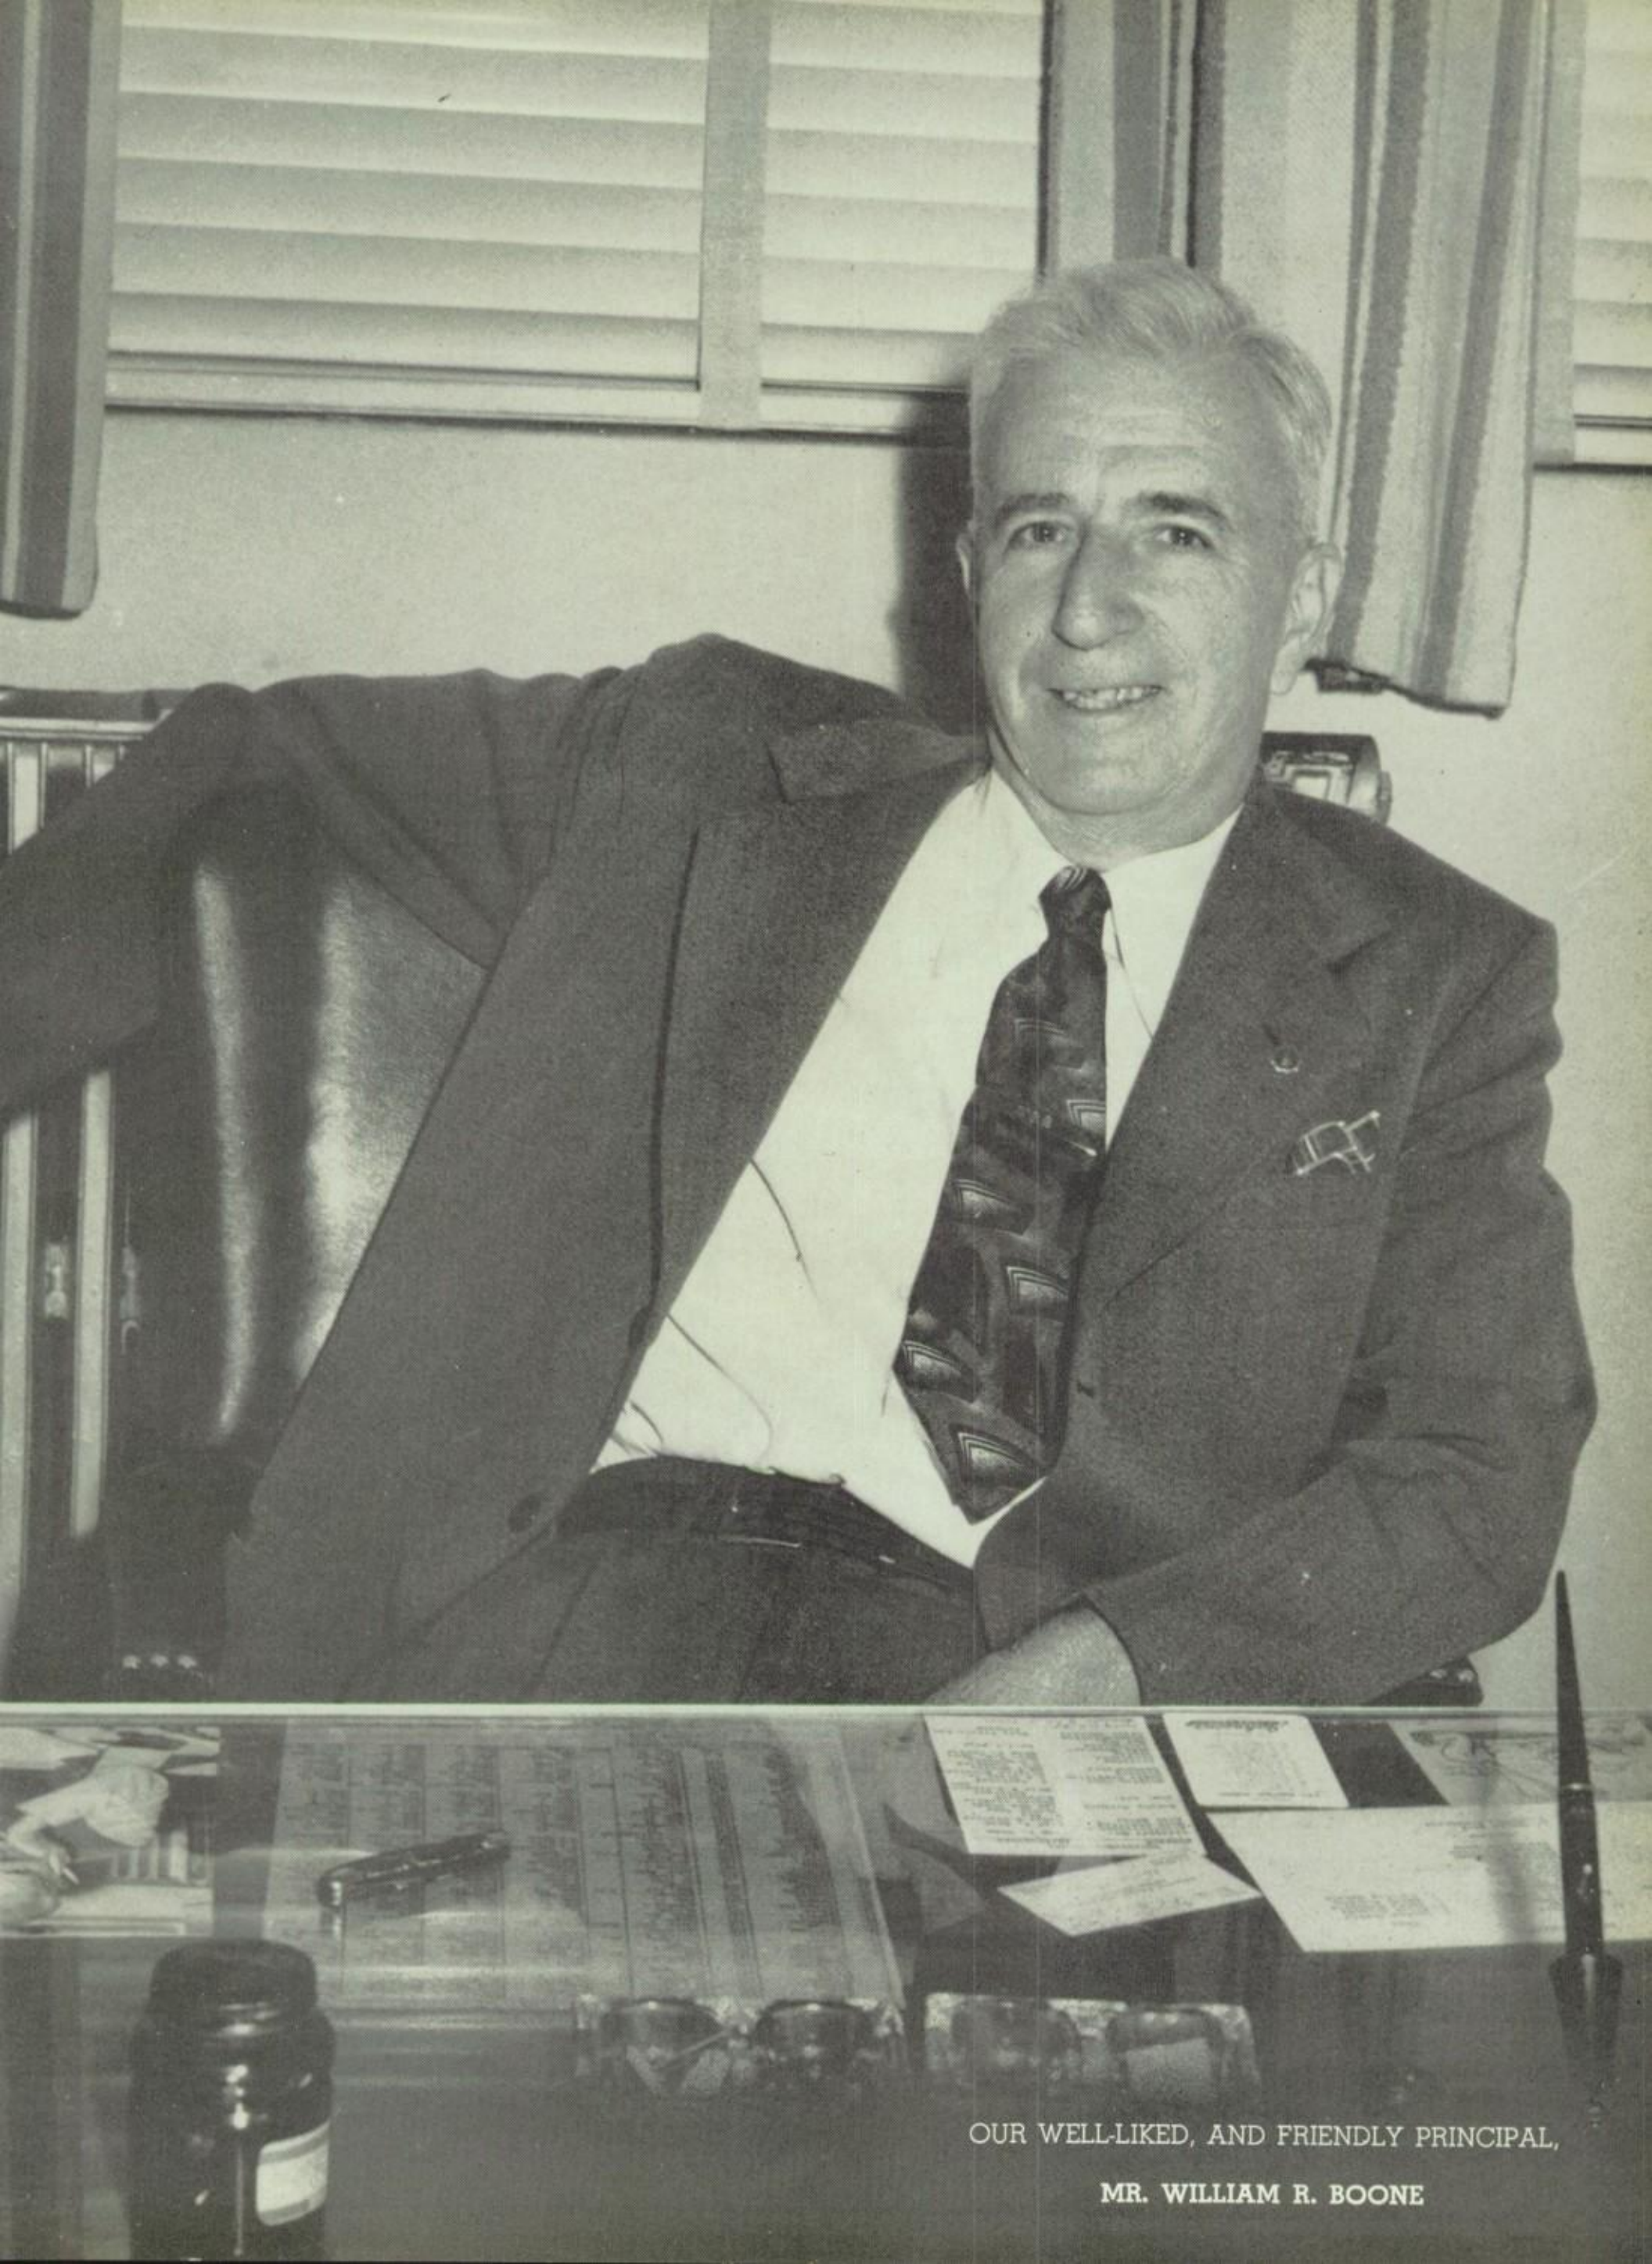

spirit that we owe a greater part of the success of our book.

Now, to the members of our staff; we, the editors, express our sincere appreciation for their gratifying work and accomplishments. To our kind and capable faculty advisors, Mrs. Cramer, Miss Ferguson, and Mr. Weeks, we extend our thanks for their indispensable service.

We hope sincerely that, as the years go by, you, the students, can look back at our 1950 TIGANDO and remember the wonderful times you had during your life at OHS.

Class History

G is for the Good averages that we tried to make,
R is for those Rare friendships we shall never forsake;
A is for the Activities that we had to pursue.
D is for the Dear teachers who helped pull us through;
U is for the Unusual tests that were ours to fear,
A is for our Alma Mater we all hold so dear;
T is for the Time that we had to remain,
I is for the Ideals we hope to attain;
O is for Our memories that we shall never forget,
N is for the Number of people that we've met;

All these letters together written out,
Spell "Graduation," so soon to come about.

Yes, the time is drawing near when the final chapter in our High School career will be completed. With the standard statement, "You are the future generation of the world," we shall be prepared to meet the everyday life filled with enthusiasm and our newly acquired knowledge. Before we close this final chapter however, let's race back the years to that glorious time, in 1948, when we were "Shy Sophomores." That first day when we walked into the now familiar halls of our Alma Mater, how amazed we were at the "Sophisticated Seniors." Never shall we forget the first time we met our Mr. Boone, who was to guide us through the next three wonderful years! Although excited by the feeling that comes only with growing up, we listened attentively as he explained the regulations of OHS.

While reminiscing through our sophomore year, we can't overlook the excellent work done by our class President, George Nipper. With Vice-President, Bill Korp; Secretary, Patsy Peter; and Treasurer, Gay Hoffner, as his assistants, it's no wonder that we were classified as an "industrious class." Yet we all agree that a great part of the credit for this title belongs to our very capable sponsor, Mrs. Clifford Shaheen.

To end this very perfect, but perplexing year, we chose George Nipper and Lee Peeler to reign as King and Queen over the annual Sophomore Spring Swing.

The year 1949 found us as "Jolly Juniors" back at OHS with hearts a little happier and our confidence soaring higher. Yes, now at last, we were upperclassmen!

Our Presidential Campaign was a tough struggle this year with so many good candidates, but we finally found ourselves blessed with the most vivacious President to ever lead a Junior Class, Anna D'Agostino. Bill Korp again served as Vice-President, but this time he was backed with Gay Hoffner as Secretary, and Patsy Mell as Treasurer. A hearty "thank you" goes to Mr. Leo Clifford, our sponsor, for leading us in such a successful year.

Many incidents stand out in our minds as memorable of our Junior year. In April we acquainted ourselves with the art of salesmanship. Why? Why we were to be honored employees of Yowell-Drew-Ivey for one day. We wonder if Bill Korp will ever get over the realization of being General Manager of one of the largest department stores in Orlando.

Surely you can't forget the wonderful time we had decorating "Tiger Den" for that island jaunt, The Junior Shipwreck Dance.

Gene Lu Armstrong began her dramatic career as in "Life of the Party." Bob Melrose, and Ann Holbrook starred in the first National Forensic League Follies, and our own Patsy Mell was chosen "Miss OHS." Carroll Avera and Bud Davis were getting much valuable practice on the football team. A distinguished honor for any school. Anna D'Agostino was elected overnorn of Girls' State.

There was no better way to terminate this second chapter of our High School history than with the Junior-Senior Prom. Remember how thrilled you were that at last your favorite beau could take you to the most popular dance of the year? Even though the cookies and punch were made by the Junior Girls, and not by the cook of the Waldorf-Astoria, we felt mighty proud when the Seniors thanked us for giving them such a beautiful dance.

Between swimming at Daytona and vacationing up North, that summer, we used our time to acquire the air of sophistication that belongs to dignified Seniors. For at last, after only 12 years (we hope) of extreme brain tension, we were to see our dream come true.

Becoming an unforgettable class was not difficult for us, when you consider that four of the most distinguished citizens of OHS were destined to lead our class to victory. Under the combined guidance of our "most popular Senior Sponsors," Miss Anne Bruce and Mis Evalyn McEntire, these officers--President Bill Kork, Vice-President George Uthlaut, Secretary Patsy Newcomer, and Treasurer Patsy Mell--found success an easy goal.

"Step right this way ladies and gentlemen, for the best hot dogs and hamburgers that you could ever hope to taste!" What's this? Has OHS turned into a profit-making eating establishment? No, this 'best food in town' could be found at the "OHS Senior Booth," one of the chief attractions at the fair.

We can never forget the many good things that contributed in making this happiest year of our lives. The joy we felt when George Nipper, Patsy Newcomer, and Anna D'Agostino were elected as leaders of the Student Council; the pride we held for the grand N.F.L. initiation conducted by President Margaret Parham, and the Honor Society candlelight services conducted by President Uthlaut, and the feeling of gratitude toward the "Tiger Talk" Staff for publishing such a grand paper.

When we came to school one day dressed in our best pinafores and omrpers, we weren't in our second childhood. We were celebrating Kid's Day with all the trimmings. What memories!

Yes, graduation symbolizes many things for the Seniors of 1950. You, OHS, have given us inspiration that will lead us to many discoveries, high ideals that will bring us much success, and above all friendships that will never be forgotten. You opened your doors of knowledge to us with welcoming arms, and presented us with hte key to everlasting happiness and success. There's no wonder that now as we end our three wonderful years as citizens of your halls, we leave with our minds full of knowledge and our hearts full of memories of you, the greatest "FRIEND" of all. BETTY BATCHELOR.

GRIDIRON REVIEW

ORLANDO VS LAKEVIEW (WINTER GARDEN)

The '49 edition of the fighting Orlando Tigers opened their season with a hard fought victory over the Lakeview High Red Devils of Winter Garden. Outstanding ground gainers were backs, Davis and Avera. The half-time score was 6-6, but the Tigers marched on to an 18-12 victory.

ORLANDO VS LEE

"Outscored but never out fought," Coach Houston summed up the game between the fighting Tigers and the highly favored Lee Generals of Jacksonville. Davis and Eicher scored for the Orlando team, while the line was spearheaded by the gallant playing of Joe D'Agostino and diminutive Harvey Heaton. Score: Lee 26, Orlando 12.

ORLANDO VS DAYTONA BEACH

To the surprise of everyone, the Daytona Buccaneers took an early lead over the Tigers, probably due to the loss of Tiger backs Avera, Beach, and Eicher. Ends Cason and Muroski played a bang-up defensive game in the 27-6 tussel.

ORLANDO VS MIAMI JACKSON

At the Orange Bowl, in the Magic City, the Orlando Tigers won over the Miami Generals for the first time in seven years. Burch recovered a fumble in the opponents end zone and Pesce added the extra point. This victory earned the Bengals the name of "Giant Killers" and was acclaimed as the upset of the year. Final score, Orlando 7, Jackson 6.

ORLANDO VS ST. PETE

The Tigers took to the road to win their second Big Ten game over the St. Pete Green Devils. Hall and Pesce, a place-kick artist, were the bulwark of the Tiger line. Highlight of the game was the 58 yard sprint of Tiger back, John Pattillo. Final tally, Orlando 13, St. Pete 6.

ORLANDO VS HILLSBOROUGH

A spine tingling tackle by Jim Greer highlighted the Annual Homecoming Game. Doug Hudnall played an outstanding game for the Tigers, but an 85 yard jaunt by a Terrier back for a score spelled defeat for the Orlando team. Ten thousand fans watched the scrappy Tigers fight to the very end. Final score: Hillsborough 13, Orlando 0.

ORLANDO VS WEST PALM BEACH

A field goal attempt by Bud Davis, missing by inches, featured the tie contest between the Tigers and the favored East Coast crew from West Palm Beach. The Orlando line, playing their best defensive game, held West Palm to a 0-0 score. The outstanding play of Hyer, Waters, and Pope drew favorable comment among the Tiger coaches.

ORLANDO VS JEFFERSON

On November 11, the Tigers, in their last home game of the season, played the Jefferson Dragons. Half-time score: Orlando 7, Jefferson 0. However, the Dragons came back strong in the second half to nose out the Tigers, 12-7.

ORLANDO VS LANDON

The Landon High football squad, their best in years, were greatly surprised to find themselves tied at half-time. However, their reserve power proved too much for the Tiger team to handle. Score: 28-7 in favor of Landon.

ORLANDO VS LAKELAND

The Bengals ended their season with a heartbreaking defeat of 13-6 at the hands of the Lakeland Dreadnaughts. Lineman Settledge spearheaded the Tiger defense, and Osborne was superb in his pass-catching.

TIGER

Facing Coach Gilmartin this year will be the task of molding a team with only one returning letterman of last year's team, Wally Williams. Over sixty boys turned out for the spring drills from which the composite of the squad will be taken. Hal Burch and Joe D'Agostino have the inside track for the weights division with a large group of sophomores ready and willing. Williams will lead the runners; Jerry Griggs, the hurdlers. The cindermen will compete in six track meets, including the state tournament.

Managers: Gray, Stevens, Buford.

BASEBALL

The 1950 edition of the Tigers' Baseball Squad will be centered around the five lettermen of the state runners-up last year. They include Lou Pesce at first, Norm Tomaszewski at second, Doug Hudnall at third base; Marshall Davis and Frank Redding in the outfield. The replacing of the eleven departing lettermen will be the biggest headache for the new baseball head, Coach Tinsley. The hard schedule which faces the baseballers includes the state and regional tournaments.

Volleyball intramurals, our first competitive sport, placed the "Gold Nuggets," now a three-year winner, in first division over 105 girls. The Seniors were crowned class champs. Volleyball Sports' Day was held in our gym October 22; six schools participated. Orlando was victorious once more.

Action, speed, ruggedness, dexterity, a certain amount of each is needed to make a real game of speedball. A group of sophomores illustrates the starting actions, while the intramural winners show a field goal being scored.

Among the sports that attract the most girls is foftball. It was a close race for the championship, but after much wishing and hard playing, the Juniors, this year's Seniors, won.

SPRING SPORTS

Closing out the year of sports are badminton and ping-pong. These two games give the girls an opportunity to match their individuality and alertness with that of their opponents. Here are glimpses of two such games.

Speakers Take Top Honors At Daytona

By winning 17 debates from a possible score of 24, the Orlando Chapter of the National Forensic League took top honors at the first practice debate tournament of the year held in Daytona Beach, December 2 and 3.

Eight students composed the two OHS teams which debated on the national question for 1949, "Resolved, that the President of the United States should be elected by direct vote of the people." Bob Robinson and David Norton, debating affirmatively; Larry Sanders and Ann Holbrook, negative, comprised the first team. Affirmative speakers of the second team were Mae Hisecock and Jean Elaine, and negative speakers, Francisco and John Keene.

The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.

PUBLISHING OF THIS YEARBOOK

The Tigando Staff

The background of the entire page is a black and white photograph. The upper two-thirds of the image is dominated by a large, bright, fluffy cloud against a darker sky. In the lower third, there is a dark silhouette of a landscape. On the left, a couple is walking away from the viewer; the woman is in a long dress and the man is in a suit, holding hands. To their right is a large, leafy tree. Further right, a building with a prominent dome and arched windows is visible. The overall mood is romantic and elegant.
